Dear Community Partner,

The Prosper Band Boosters Club supports the Prosper High School Band by seeking financial support and in-kind donations from community businesses and individuals. As a non-profit 501(c)(3) organization, we are committed to providing high-quality music education experience for our students.

With nearly 250 members, the band program offers students opportunities to participate in Marching Band, Color Guard, Ensembles, Drumline, Jazz Band, and Winter Guard. The band plays a key role in the Prosper High School Fine Arts community and helps instill dedication, discipline, and teamwork in its students.

The band program also helps students develop leadership, collaboration, and accountability. Participation in band teaches life skills that extend beyond music and prepare students for success in academics and future careers.

Your financial support plays an essential role in providing resources for professional training, competition travel, clinicians, marching show production, competition fees, and educational supplies. These contributions help create a meaningful and enriching experience for every student involved.

Our Partnership Program outlines sponsorship levels and benefits that provide exposure to your business within our school community and families. Your gift is tax deductible and helps ensure the Prosper Band continues to make a visible and lasting impact on our students.

We look forward to welcoming you as a donor this year and appreciate your consideration and support.

Sincerely,
Shawna Herriage
